THE MUSIC OF LAURIE JOHNSON VOL. 2: THE PROFESSIONALS

- Laurie Johnson is responsible for some of the **best-loved TV themes** ever: “The Professionals”, “The Avengers”, “Top Secret”, “Echo Four Two”, “Animal Magic” and “This Is Your Life”, to name but a few. But in his long career he has also written many **film scores**, classical works and suites for military bands.
- Following on from the **great success of “The Avengers” 3 CD set**, this is the second volume in a series collecting together Laurie’s extraordinarily varied output. As with Volume 1, this set is **compiled, fully annotated and mastered from the original mastertapes by Laurie Johnson himself**, and **packaged with photos from his own collection**.
- Disc 1 contains **seventy-eight minutes of music** from the TV series “The Professionals” (currently showing eight times a week on ITV 4 until 2010), which aside from the theme tune, makes its **debut on CD**.
- Disc 2 features Laurie’s fabulous **themes for TV shows and his film scores**, along with some **early singles** and his **orchestral concert hall work** “Concerto for Trumpet, Tenor Sax and Orchestra”. Disc 3 collects some more of his adventurous works for military bands, including “The Battle Of Waterloo”, with narration by **Lord Bernard Miles**.
